WHAT TO BRING WITH YOU.

- Your appointment letter
- A list of your current medication
- Your glasses (if you wear them) and your current prescription for your glasses.

WHAT HAPPENS DURING THE APPOINTMENT.

Depending on your condition your appointment could take up to an hour. You may need a visual field test and/or OCT scan. You may also need dilating eye drops as part of the eye examination.

Minor op appointment

You may be given local anaesthetic eye drops. Depending on your treatment you may need to wear an eye patch or dressing after a minor operation. It is advisable not to drive home.

IMPORTANT THINGS TO REMEMBER.

- If you arrive more than 10 minutes late to your appointment, you may not be seen.
- Please do not drive to your appointment unless you have been told that you can by a member of our team. Eyedrops may need to be administered, which can impair your vision for up to 4 hours. Please bring somebody with you if necessary.
